MH370 PRESS STATEMENT BY DEPARTMENT OF CIVIL AVIATION MALAYSIA

1. Release of Raw Data

On the 19th of May, the Acting Minister of Transport has instructed the Malaysian Department of Civil Aviation (DCA) to discuss with Inmarsat on the release of the Inmarsat 'raw data' for public consumption.

Inmarsat and the DCA have been working for the release of the data communication logs and the technical description of the analysis.

As a result, the data communication logs from Inmarsat as well as the relevant explanation to enable the reader to understand the data provided is being released.

NOTES TO EDITORS

- a. The attached data logs along with additional notes for (9M-MRO) Flight MH370 was prepared by Inmarsat.
- b. For any additional information and queries, please email mh370@dca.gov.my
